NOTICE
YOU ARE FIGHTING ALONE

The Dock defence system of the peninsula has collapsed. Thousands of your comrades who carried the hopeless struggle on will never see the Fatherland again. Scores of thousands who ceased the struggle in time are already in safety in our hands. They are being treated as soldiers who have fulfilled their soldiers' pledge.

IT IS ALREADY 5 MINUTES PAST 12
STOP THE STRUGGLE!

(REVERSE)

SOLDIERS
STOP
THE STRUGGLE
